## To Circulate Petition For Branch Bank In District

Members of the Sidney Businessmen's Association attended the regular monthly dinner meeting in the Sidney Hotel on Wednesday evening, Dec. 4th, George L. Baal, the new president, presiding.

Following an excellent dinner provided by the genial proprietor and his staff, the business session got under way.

### BANK

Considerable discussion took place regarding the question of a bank for Sidney and district. A committee reported on interviews with various bank managers, who showed no enthusiasm as regards opening a branch bank here. The overhead of establishing a bank would be considerable and the government annual tax of \$500 did not help matters.

Finally, after considering many angles of the situation, it was decided to sponsor a petition requesting a bank to start a branch here.

### STREET SIGNS

Street signs were discussed and it was decided to secure estimates, per individual sign.

### MAIL SERVICE

Again the mail service was discussed, an earlier dispatch of mail from Sidney to Victoria each day being sought. The secretary was instructed to contact the superintendent of postal services, Vancouver, in an endeavor to secure the change.

### DANGEROUS WALKS

A letter was read from a local resident regarding the poor state of repair of certain wooden sidewalks in Sidney, which resulted in the writer being injured. This brought up the question of potholes in the various roads around the community and it was decided to take the matter up with the Department of Public Works, Victoria.

### NOTICE OF MOTION

A notice of motion was given to the effect that in future the dinner be eliminated and that the business meeting open sharp at 8 p.m., closing at 10 p.m.

### TO MEET THURSDAYS

A previous notice of motion was then considered, it being proposed to change the date of meeting from the first Wednesday in each month to the first Thursday. The motion carried unanimously.

### QUOTA ARRANGED

Other matters discussed included the banquet being tendered Mr. and Mrs. E. M. Straight at the Farmers' Pavilion, Experimental Station, and arrangements were made for the association's quota to be in attendance.

Ellis, a tramp; Dorothy Rush, a little boy; Shirley Wagg, shepherdess; M. Wagg, Egyptian lady; D. Lockwood, Persian lady; Pat Cartwright, "There'll Always Be An England," Fergus Bryan, Order of the Bath.

The tea convener was Mrs. P. Lowther with many capable assistants.

The party was attended by over 45 children in fancy dress as well as other guests and the afternoon was given up to games. After expenses were paid \$11 was left over and will be placed towards I.O.D.E. funds.

For the doll, which brought in \$25 for the funds and which was won on Saturday by Mrs. M. Acheson, the regent and members expressed their thanks to Mrs. J. Mitchell, who had donated it, dressed it and provided its trousseau, and also to Mrs. Alan Cartwright, who had undertaken all the work in connection with the contest.

## NO. SAANICH SCHOOL NOTES

### CADET CORPS

Word has been received that the application of the school to form a Cadet Corps has been accepted by the Department of National Defence through military headquarters at Victoria. The corps is to be known as No. 1732, North Saanich High School Cadet Corps, Sidney, B.C.

The boys have not been waiting idly for the application to be ac-

cepted, but under the guidance of their corps organizer, Mr. West, they have already gone far to master the squad drill connected with the new formations in threes. In fact the seniors go through their manoeuvres with a precision comparable to the regular army units that drill not very far from our parade ground.

### CHRISTMAS CLOSING

School closes on December 20th for the Christmas vacation. With this in view the Senior High School Council is planning the Christmas dance for the Friday of

## Again Boy Scouts Solve The Problem

An American tent manufacturer recently received a big U.S. Army order for tarpaulins. Upon studying the contract he discovered that rope had to be spliced to the canvas in a certain way. None of his workmen could do the splicing. For several days he was stumped, and worried. Suddenly he remembered "Boy Scout knots," sought the local Scout head, and now "a lot of Boy Scouts are doing a lot of good rope work, with pay, and the army inspectors are delighted."

### HAVE YOU REMEMBERED

to make your contribution to the upkeep of the North Saanich Volunteer Fire Brigade for 1940?

Citizens of North Saanich who have made their donations are again thanked. Others who have helped in the past and have been awaiting the development of the idea of forming a North Saanich Fire District are urged to assist at this time as the committee in charge of securing signatures for the petition to the Government to bring into being the fire district mentioned feels that it is best to carry on with contributions for the present in view of so many canvasses and calls being made for various purposes. There have been a considerable number of citizens sign the petition form and the petitions are now to be lifted from the stores and signatures will be added from now on by personal contact of members of the committee or others assisting. There is a lot of work in connection with securing these signatures as the Government requires same to be made out in duplicate, together with description of improvements, as well as another form for use in checking at the Lands Title Office. They all have to be witnessed. It is thought that by spring the area of North Saanich will have been thoroughly canvassed and indications are that a large percentage of owners of buildings will endorse the idea of forming a fire district for the area of North Saanich.

In the meantime money is required to carry on and keep the equipment in good order.

### 500 PARTY AT ROYAL OAK

ROYAL OAK, Dec. 11. — A special 500 card party in honor of the anniversary of the Royal Oak Women's Institute was held in the Community Hall on Thursday. The makings of a plum pudding were won by W. Coulston.

Winners of the cards were first, Mrs. H. W. Bassett and F. Francis, second Mrs. T. T. Hutchison and W. Coulston.

Hostesses were Mesdames C. A. Booth, F. Cariss, C. W. Tolson and D. Coton.

"The telephone brings pleasure to our home"

"I often wonder how we'd get along without our telephone," said Mrs. Draney. "Besides being so handy for shopping and other errands, it keeps us in touch with our friends. Most of our invitations come by telephone and when we want someone in for bridge a telephone call usually finds some willing opponents. Although the telephone brings pleasure and companionship I realize that its most important asset is its value in case of an emergency. For I know that the quickest way to get help in a hurry is by telephone."

**MEN'S SUPPER GROUP HEAR PROF. ROBBINS**

Although the attendance was somewhat lower than on previous occasions this season, due to the 'flu and the pressure of the Christmas rush, there were 27 present at the December meeting of the Men's Supper Group on Tuesday evening, Dec. 10th, in Wesley Hall, Sidney.

Supper was served by the Women's Association of St. Paul's United Church.

The speaker for the evening was Prof. Wm. Robbins of Victoria College, who dealt with "Matthew Arnold, a 19th Century Prophet of Democracy."

In a very able manner he dealt with the subject and in conclusion justified the views of his subject author by a comparison of his theories of Democracy with present day trends and actual happenings.

A general discussion after the address showed the interest and appreciation of the audience and added much to the enjoyment and educational value of the meeting.

The next meeting will be held on Tuesday, January 21st.

GANGES, Dec. 11.—With Rev. Father Scheelen acting as master of ceremonies, the Salt Spring Island Catholic Ladies' Altar Society held its 16th annual "500" drive and dance last Wednesday evening in the Mahon Hall, Ganges. Owing to weather conditions and illness there were not so many present as on former occasions.

The building looked bright and attractive with its decorations carried out in green and red, masses of green foliage tied at short intervals with large red bows covered the lower part of the walls. A Christmas tree, with its numerous colored lights, formed the decoration on one side of the stage, while the other side was given up to a large candy stall in charge of Mrs. G. E. Akerman.

Eleven tables took part in play, the first prizes being won by Mr. and Mrs. Robert Akerman, Mrs. F. Morrison and Miss Tilly Akerman. Second by Mr. and Mrs. Fergus Reid, Mrs. W. Cearley and Mr. Michael Gyves. Third, Mrs. George St. Denis, Mrs. D. Fyvie, Mrs. Guy Cunningham and Mr. W. M. Palmer.

A three-piece town orchestra supplied the music for the dance which followed the card game and for which several guests arrived. The prize for the musical march was won by Mrs. J. H. Kingdom and the two spot dances by Mr. and Mrs. Carl Corbett and Mr. and Mrs. R. Akerman.

The secretary, Mrs. R. Toynbee, read the minutes and the treasurer, Mrs. Colin Mount, the balance sheet, showing \$120.12 on hand.

The sum raised by the dime calendars was \$21.20, and several more, it was stated, had still to be brought in. These amounts will all be placed towards the building fund for the new Sunday School.

After discussion the sum of \$50 was voted to church expenses and \$5 towards the Ganges Red Cross Unit.

Miss M. Lees brought to the meeting all articles left over from the recent sale, these were disposed of and the sum derived, about \$5, will be added to the funds.
